

Gailey Canoe Club

Club Safeguarding and Protecting Children Policy

Gailey Canoe Club is fully committed to safeguarding the well being of its members. All members should show respect and understanding for the rights, safety and welfare of others, and conduct themselves in a way that reflects the principles of the club.

We believe that taking part in Paddlesport should be a positive and enjoyable part of children's lives and to achieve this have the following aims:

- Club coaches and helpers should follow the PaddleUK Code of Ethics.
- All club coaches, helpers and officials working with young people should read and adhere to the **PaddleUK relevant policies**. The club will follow the guidance of the policy in the event of any concerns or allegations.
- The club will ensure that anyone who meets the eligibility criteria for a Disclosure check will not be deployed until a satisfactory check has been returned.
- All club members are made aware of the Club Code/s of Conduct
- The club will obtain written medical details of young paddlers which will be made known to coaches where deemed appropriate and/or necessary.
- Any paddler who coaches for the club should be a member of PaddleUK. The club will encourage and support helpers to gain qualifications and assist coaches to stay up-dated.
- The club will identify a person whose role it is to deal with any issues concerning Child Safeguarding and Child Protection (Club Welfare Officer) and notify this person to all members. Anyone with concerns with respect to the welfare of a child should then contact that person. If that person is unavailable they can contact the Club Chairman or PaddleUK Safeguarding Officer.
- The club will adopt and regularly review a Health & Safety Policy.
- The club will review this policy at the Annual General Meeting.
